

# RMFS REGIONAL REGISTRATION GUIDE

## IMMEDIATE ACTION ITEM:

- Ensure that you have purchased your IFSA and RMFS memberships. LiveHeats won't allow anyone to register unless they have **both** IFSA and RMFS memberships. Please refer to this [tutorial](#).

Regional Athletes can register for three Regional 2\* Events in the RMFS region. IFSA allows up to four events in a season. For a fourth event, you may need to travel outside the region, unless a RMFS Regional 2\* Event has space available. All regions except Far West, East Canada, and Eastern are closing regional registration to out of region athletes for the first 48 hours of registration. If the event is full after 48 hours, it will not open to outside regions, regardless of seeding. Other regions have voted on on varying registration windows from 4-8 weeks. If you are looking at out of region events contact that region.

## DECEMBER:

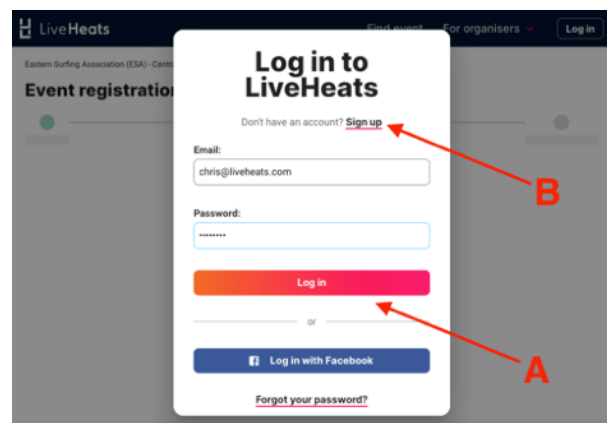

- Consult with your coach to identify the Regional Events your team is supporting this season.
- Review the RMFS Event Schedule and individual Event Pages. Please be aware that these pages are promptly updated as soon as we receive information from the Event Organizer. While we strive for advance notice, it's important to note that sometimes this information may only become available a few weeks to a few days before the scheduled event date. Check back often.

## DAYS PRECEDING REGISTRATION OPENING:

- The seed list is based on an athlete's best 3 results in the past 52 weeks. Please note that the junior seed list this year models the FWQ and Region 1's lists. It does not break out age divisions or regions. New or low-ranked athletes may need to start at lower-level events to earn points and move up the seeding list. Before registration, the seeding list offers guidance but isn't a definitive measure for event entry. The popularity of some events may attract more highly seeded athletes, while others may not. The list becomes most helpful once registration has begun and you can assess the waiting list against the 50% of starts to gauge likelihood of entry. [Review your seeding](#) here.
- Test your [LiveHeats](#) login
- Registration will open 6 weeks before the event. Please refer to the Registration Schedule below. Import registration opening dates and event dates from the [RMFS Calendar](#) and set reminders. Please scroll to the bottom of the Events Page on the RMFS website to subscribe to our calendar and import.

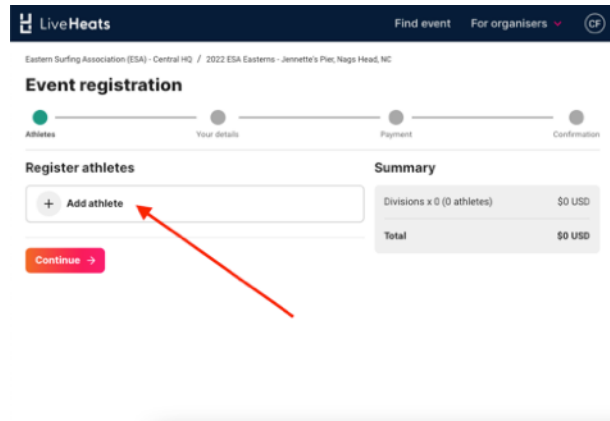

## REGISTRATION OPENS:

- Access the registration link from the Event Page on our [website](#) or [IFSA's](#).
- Once on the event page, click "Register"
- Login to your LiveHeats account

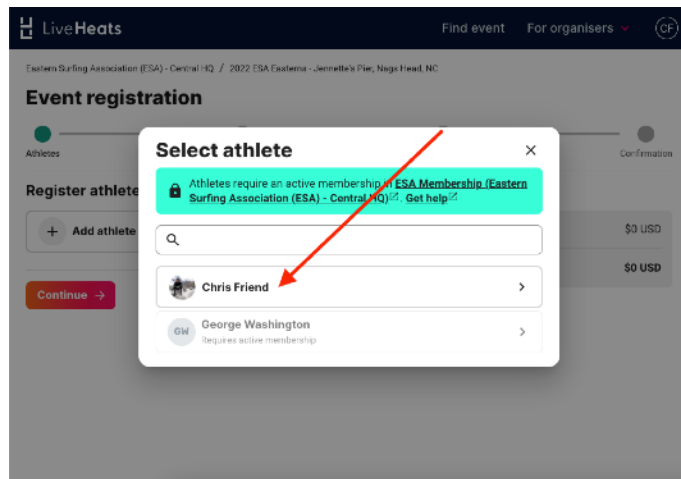

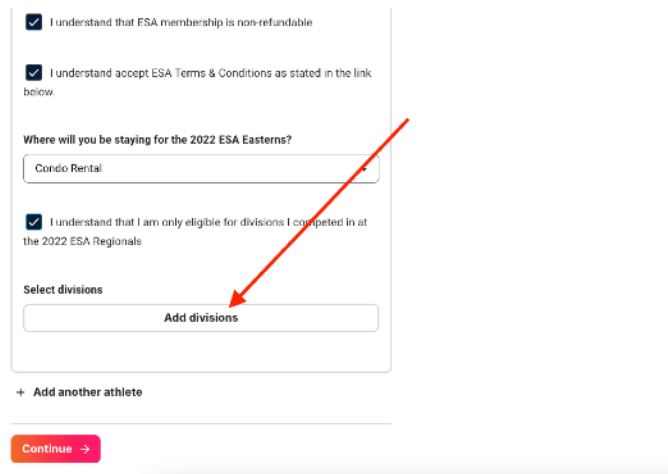

Click “Add athlete” to view and search the athletes from account to register. If you only have one athlete on your account, it will pre-populate.

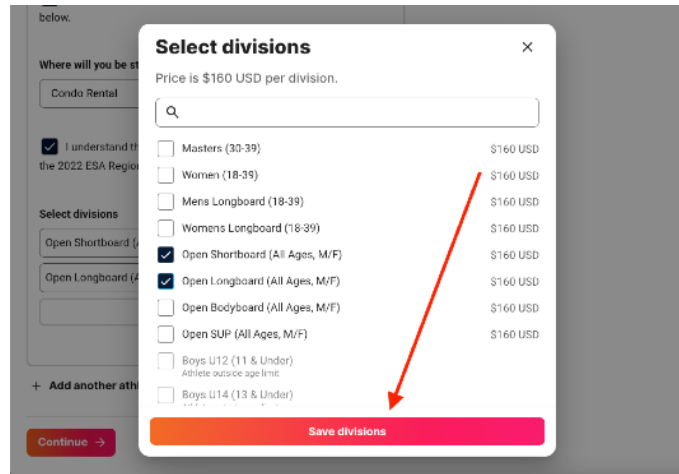

Complete the form and all questions asked by the Event Organizer, then scroll to the bottom of the form and click “Add division”

Select the divisions you'd like to register the athlete into, then click “Save”

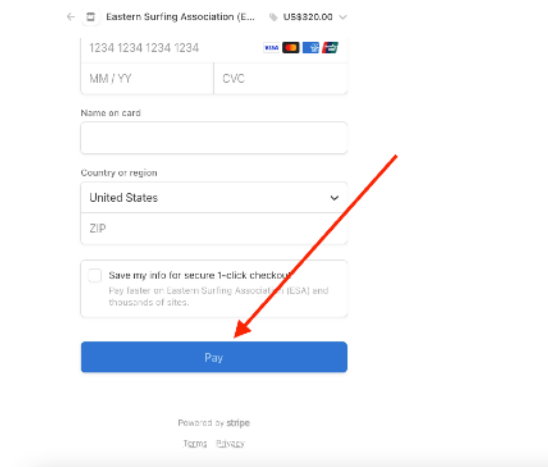

- If you are registering more than one athlete, click “Add another” athlete and repeat steps. Once done, click “Continue” at the bottom of the page.

- Enter your contact details and read and understand the Event Organizer's notes and terms and conditions (if any). Once done, click “Continue”

- Enter your credit card information, or use Google or Apple Pay. Once done, click “Pay”

- If the payment is successful you will reach the confirmation page and an email will be sent to your inbox.

Registration will initially open for 72 hours and is open to only athletes registered within our Rockies Region (RMFS). All athletes will immediately be placed on the waitlist. After the initial round of registration closes, if there are still starts to be filled, it will be opened to all regions.

Immediately after registering, athletes will receive an initial email acknowledging receipt of their registration. It's important to note that this email is solely a confirmation of receipt and does not imply entry confirmation.

**REGISTRATION CLOSSES:**

UPDATED: Nov 16, 2023

Registration will close after 72 hours, and at that point, the waitlist will be arranged according to the current seeding list. The top-seeded athletes will be confirmed into 50% of the event's starts. Credit cards are charged at the time of athlete confirmation for an event, along with non-refundable LiveHeats and IFSA fees.

Once the initial 50% of starts have been allocated, the remaining athletes on the waitlist will be reorganized based on the timestamp of their registration. The subsequent 50% of event starts will then be assigned to those with the earliest timestamps. Again, at the time an athlete's participation is confirmed for an event, credit cards are charged, inclusive of non-refundable LiveHeats and IFSA fees.

Athletes who have been awarded a start will receive an additional email confirming their participation in the event once the 72-hour registration period has concluded.

## **CANCELLATION:**

Please be aware of the challenge in securing event starts in the Rockies Region. To support your fellow athletes on the waiting list, please cancel your registration as soon as possible if you cannot attend. Cancellation policies vary by event, and no-shows are non-refundable. Cancellations made a week before an event are non-refundable.

Athletes must adhere to allotted registrations in the Rockies Region:

Regional seeded athletes: total of three 2\* (Regional) events

National seeded athletes: total two 2\* (Regional) events

In LiveHeats, you can proactively remove yourself from a waitlist before receiving acceptance, ensuring you stay within your allotted event registrations.
